

Dear New Homeowner:

Welcome to our neighborhood and congratulations on the purchase of your home!

On behalf of the Courtyards at the Links at Gettysburg Homeowners Association (HOA) Board of Directors (Board) and the other homeowners of the Courtyards at the Links at Gettysburg, we would like to welcome you to your new home and our community. Over the coming months we look forward to meeting you whether it be walking down the streets, at the pool, or at a community activity.

The operation of your homeowners association is governed by a board of volunteer directors. The Board of Directors is elected by the community to oversee the daily functions and financial responsibilities of the Association. The Board is also responsible for maintaining members' compliance with the established covenants and bylaws of the Association. They have specific provisions regarding what can and cannot be done on your property. Please take some time to read through the Public Offering Statement (PoS) for The Courtyards at the Links at Gettysburg. You should have received these documents during the home purchase process. Copies are available on the community web site.

Our community web site can be found at www.linkshoa.org. From that Home Page you will find various areas of interest such as individual HOA's (Courtyards, Garrison Falls, Villas at the Retreat, and The Retreat Condominium) as well as Links Community Social Events, Community Center and Pool, volunteer committee information, etc. Further, within individual HOA's you will find HOA specific information regarding bylaws, architectural review forms, and other pertinent information. Please take a few minutes to visit and familiarize yourself with this valuable resource. The web site provides ready answers to most homeowner questions. If you don't find the information you need there, the Board of Directors can be contacted via email at Courtyardshoaboard@gmail.com. Please provide your contact information, e.g. email address, phone number, etc. so we can update the neighborhood directory with your information.

The Courtyards HOA Board does not contract with a property management company. Please contact the Board – Courtyardshoaboard@gmail.com - for service issues on community property, complaints regarding specific bylaw violations and for any questions regarding your annual homeowners' dues assessment.

As a new homeowner, you may already have some ideas on how you'd like to improve your property. Please keep in mind, the Association has an Architectural Review Committee (ARC) to help maintain the quality of our neighborhood. Its function is to evaluate the plans for all exterior landscaping, repairs and remodeling (such as painting, decks, fences, trees and bushes, replacement roofs, etc.) to ensure compliance with the PoS. The purpose of this review is to protect our scenic environment and maintain the value of our homes. All modifications to the exterior of your property, including repainting with the same color, must be submitted to the ARC for approval before any work begins. If work is started without prior approval, the homeowner risks being cited for a covenant violation and may be required to alter or remove the changes at significant additional cost.

Information on some of the questions many new homeowners have is included with this Welcome Letter to get you off to a smooth start.

Again, welcome to the Courtyards at the Links at Gettysburg community! We look forward to you falling in love with this neighborhood as much as we have. We know you'll find our neighborhood is a great place to live and we encourage your participation in our activities and functions.

Sincerely,

Courtyards at the Links at Gettysburg Homeowners Association Board
